Deputy Director for National  
Foreign Assessment  
Central Intelligence Agency  
Washington, DC 20505

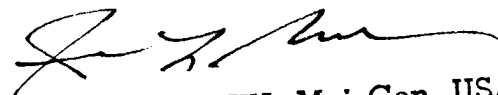

Dear Mr. Clarke

(C) I believe the proposed outline of Intelligence Community estimative documents contained in your memorandum of 12 March 1980, offers an effective guide for the preparation of these papers. However, I would suggest that you include the "President's Bi-Annual Report on Soviet Forces" in this list.

(C) In my judgment, it is essential that the preparation of Intelligence Community estimates include the participation of all NFIB principals. Their full participation will enhance the credibility of these publications.

Sincerely

  
JAMES L. BROWN, Maj Gen, USAF.  
Asst Chief of Staff, Intelligence
